| KIT-number | 300                                                                                               | KIT end number |

Main Dimensions & Performance Data

|     |         |                      |
|-----|---------|----------------------|
| K 1 | M2.5x18 | Screw                |
| L S | 1,5 mm  | Dimension screw      |
|     | S 2     | Hexagon socket screw |
| S   | 4,5 mm  | Dimension            |
| ≈m  | 2,4 g   | Masa                 |

Degree of contamination

|     |                                                      |
|-----|------------------------------------------------------|
| Yes | KIT suitable for very slight degree of contamination |
| Yes | KIT suitable for slight degree of contamination      |
| Yes | KIT suitable for moderate degree of contamination    |
| Yes | KIT suitable for heavy degree of contamination       |

Increase of displacement

|     |                                      |
|-----|--------------------------------------|
| Yes | Large increase in displacement force |
|-----|--------------------------------------|
