| Size       | 25  |                |
| Suffix     | B   |                |
| KIT-number | 330 | KIT end number |

Main Dimensions & Performance Data

|                |         |                      |
|----------------|---------|----------------------|
| K <sub>1</sub> | M3x8    | Screw                |
| L <sub>S</sub> | 1,65 mm | Dimension screw      |
|                | S 2,5   | Hexagon socket screw |
| S              | 4,5 mm  | Dimension            |
| ≈m             | 14,5 g  | Masa                 |

Degree of contamination

|     |                                                      |
|-----|------------------------------------------------------|
| Yes | KIT suitable for very slight degree of contamination |
| Yes | KIT suitable for slight degree of contamination      |
| Yes | KIT suitable for moderate degree of contamination    |
| Yes | KIT suitable for heavy degree of contamination       |

Related products

|     |                        |
|-----|------------------------|
| Yes | KIT can be retrofitted |
|-----|------------------------|

Increase of displacement

|     |                                      |
|-----|--------------------------------------|
| Yes | Large increase in displacement force |
|-----|--------------------------------------|
