| KIT-number | 200                                                                                               | KIT end number |

Main Dimensions & Performance Data

|     |          |                 |
|-----|----------|-----------------|
| K 1 | M3x16    | Screw           |
| L S | 3 mm     | Dimension screw |
| S   | 0,8 mm   | Dimension       |
| ≈m  | 16,877 g | Masa            |

Degree of contamination

|     |                                                      |
|-----|------------------------------------------------------|
| Yes | KIT suitable for very slight degree of contamination |
| Yes | KIT suitable for slight degree of contamination      |
| Yes | KIT suitable for moderate degree of contamination    |
| No  | KIT suitable for heavy degree of contamination       |

Increase of displacement

|     |                                                   |
|-----|---------------------------------------------------|
| Yes | KIT suitable for moderate degree of contamination |
|-----|---------------------------------------------------|
